

Welcome Dr. Ileeia Cobb!

The Office of the Vice President for University Outreach has announced the appointment of **Ileeia Cobb, Ph.D.** as the new director of the Osher Lifelong Learning Institute at Auburn University. "We are looking forward to Dr. Cobb joining us as OLLI director," says Royrickers Cook, vice president for University Outreach. "She has an expansive vision and experience with adult learners, and a significant enthusiasm for community engagement." Originally from Tallassee, Alabama, Cobb earned her bachelor, master and Ph.D. degrees from Auburn University. Her doctoral research focused on perceptions of older Americans in regards to the aging process and adult education programs. Cobb's career includes experience with senior populations and adult learning. She served as a grants and program manager at the Alabama Department of Senior Services and most recently as staff associate responsible for institutional program review at the Alabama Commission on Higher Education. "I look forward to working with Dr. Cobb," says Don Baker, chair of the OLLI Advisory Council. "She has experience working with seniors and managing grants, both of which will be important as the new director of OLLI."

Last fall OLLI posted a world map for members to share their summer travels. You were asked to pin your name to the place or places you visited over the summer. There's a new twist to this activity for Fall Term 2017. We'll follow the same format of pinning our destinations and names to the places on the map, BUT for the person who travels the farthest from Sunny Slope, 1031 South College in Auburn, over the summer, he/she CAN win one of Ursula's delicious cakes. Don't think for one minute that this is an ordinary cake. If you've tasted a cake prepared by Ursula, you'll know it is spectacular. Food Network chefs, eat your heart out - we've got the best! Make your travel plans now to go away...way away, so that you'll have a better chance of winning! The CATCH? We'll need a picture of you either with your OLLI shirt on (available at the OLLI office for only \$5 and \$10 for XXL sizes) OR a poster, cardboard or some facsimile with OLLI at Auburn written on it! The map will be displayed in the parlor at Sunny Slope. Stop by any time after August 15 to share your travels on the map.

Book Exchange: The OLLI Book Exchange is ready for use. Thank you for all of the donations. As of now, we do not need any more books for the exchange.

Quick Tip – Meet Other Members...Wear Your Name Badge!

OLLI at Auburn requires members to wear name badges when attending OLLI classes and events, as a security measure, and, because it just makes sense. Wearing your OLLI name badge is the perfect way to be able to meet and greet other members when you are attending classes and events at OLLI. Try approaching other members with a smile, look at their name badge, and greet them by name. Be sure you are wearing your name badge so the person can greet you right back by name! It works every time! Keep your badge in a convenient place, like your car, your bag, or your purse, so that you always have it when you come to OLLI!

Sunny Slope Renovations

 Ramp and home renovations – Work has begun and is expected to be completed by the end of August.

Please remember these dates are all fluid and dependent upon the weather. The plan is for all of these projects to be completed by the end of August.
